

United Board Fellows Program

2018-2019 Application Announcement

The United Board for Christian Higher Education in Asia is pleased to invite applications for its 2018-2019 Fellows Program.

The United Board Fellows Program is designed to answer the needs of leadership development for mid-career faculty and administrators from Asian colleges and universities. Through this program, the United Board develops dynamic leaders who will advance whole person education within their home institutions.

Since 2002, more than 200 Fellows from over 50 institutions in 11 countries and regions of Asia have been selected for this program, and many have now assumed important leadership positions in their home institutions. This one-year experience features an intensive three-week summer institute at a leading higher education institution; a placement of two to four months in an Asian college or university; and a summative reflective seminar in an Asian city.

To apply for the Fellows Program, we ask either heads of institutions or senior administrators to nominate qualified, mid-career faculty and/or administrators who have demonstrated the potential to assume larger leadership roles and responsibilities in the future. The United Board selection committee will invite applications based on the quality of the nomination. Each institute can nominate up to two candidates.

The deadline to submit the nomination form is **September 15, 2017**, and
